

Binder Set Up Activity

Directions: Susie has just received a new schedule for her sophomore year! Last year, she was disorganized and stuffed her papers in whatever random binder or folder she could find. Now, she shoves the papers in the bottom of her backpack and cannot find them when the teacher asks.

Schedule:

- Period 1: Geometry
- Period 2: Biology
- Period 3: Health
- Period 4: Art
- Period 5: English
- Period 7: Comparative Government
- Period 8: Study Hall

Create a plan for how Susie should organize her backpack. Respond to each question in 2-3 complete sentences.

1. Should Susie use folders, individual binders, or one large binder? Why?
2. Can any classes share a folder/binder? Which ones? Why?
 - a. If they do share, which ones?
3. What are the steps for Susie to organize her materials?

Draw a picture of Susie's backpack and binders.
