

Interpret Your Learning Questionnaire

Totals: Add up your score for each section, and enter it below.

1. Reading Section Total _____
2. Writing Section Total _____
3. Listening & Speaking Section Total _____
4. Mathematics Section Total _____

What to Do Next

If you scored 0 or 1 in any section

Talk to your teacher about taking on additional challenges!

If you scored 2 or 3 in any section

You're probably doing just fine in that subject area.

If your scored 4, 5 or 6 in any section

Talk to your teachers, counselor, and parents/caregivers. You may need to be taught in a different way to be successful.
